SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

- 1 *Type of Information Collection:* Reinstatement with change of a previously approved collection
- 2 *The Title of the Form/Collection:* Claim for Death Benefits
- 3 *The agency form number:* None.
- 4 *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Eligible survivors of fallen public safety officers.

Abstract: BJA's Public Safety Officers' Benefits (PSOB) Office will use the PSOB Claim Form information to confirm the eligibility of applicants to receive Public Safety Officers' Death Benefits. Eligibility is dependent on several factors, including public safety officer status, an injury sustained in the line of duty, and the claimant status in the beneficiary hierarchy according to the PSOB Act. In addition, information to help the PSOB Office identify an individual is collected,

such as Social Security numbers, telephone numbers, and e-mail addresses.

Changes to the claim form have been made in an effort to streamline the application process and eliminate requests for information that are either irrelevant or already being collected by other means.

Others: None.

5 *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that no more than 350 respondents will apply a year. Each application takes approximately 120 minutes to complete.

6 *An estimate of the total public burden (in hours) associated with the collection:*

An estimate of the total public burden (in hours) associated with the collection: Total Annual Reporting Burden: $350 \times 120 \text{ minutes per application} = 42,000 \text{ minutes}$ / by 60 minutes per hour = 700 hours.
